(E) Airline Information

Airlines reserve the right to increase their departure tax (based on airport fees / government security taxes) and fuel surcharges at any time. To maintain the quoted tour price it is essential that the payment installments are received on the stated dates.

To minimize any increases Quest Sports Travel strongly recommends that the group 'ticket' all passengers as early as possible. 'Ticketing' requires payment in full to the airline. Therefore, should the group choose to ticket in advance of the airline's deadline, there will be no refund available after the group is ticketed.

The departure city for this tour will be **Chicago O'Hare**. All efforts are made to secure the most direct and cost effective routing. Routing and cost implications will be discussed with tour leaders before publication of flight details. Flight details will be available by **September 29th, 2017**.

Flight Deviations: (i) Airline rules prohibit flight deviations that depart from the USA on a different schedule than the main group. Individuals wishing to depart from the USA separate from the main group necessitate the purchase of separate flight tickets and so will incur additional charges. (ii) Flight deviations on the return to the USA are allowed as long as the return is made from the same airport as the main group. Airlines charge a deviation fee to do so. The fee depends on the airline.

QUEST SPORTS TRAVEL

Frequent Flier Programs: Airlines do not accept frequent flier miles as payment for group airfare. If a traveler wishes to use frequent flier miles they must secure their own airfare and will pay Quest Sports Travel a 'Land Only' cost. No alterations will be made to the published itinerary to service individuals traveling separately from the main group.

Travel Party Roster: An accurate final travel party roster is due by **May 28th, 2018** for airline ticketing. As per Section (C) Airline Ticketing - Quest Sports Travel strongly advises supplying the roster in advance of this airline deadline. Once tickets are issued they are non-refundable and non-transferable. Should a change be necessary after ticketing a new ticket must be issued and paid in full at the rate quoted at the time of new issue. If the final Travel Party Roster is not submitted by the aforementioned date the airline reserves the right to CANCEL the reserved seats.

Rooming List: Final Rooming Lists, including room upgrade requests and any specific dietary requirements are due by **May 28th, 2018**.

Room Upgrades: The tour price is based on **Twin Bedded Rooms**. Room upgrade surcharges will apply for single bedded rooms. The US \$ value of these room upgrades will be calculated on the same date as the Final Tour Price.

Entry Visas: An entry visa is required for travel to some countries, including Australia and Brazil, by US citizens. Visa information can be obtained by contacting the Embassy of the specific country to be visited. Visa charges are not included in the quoted tour price and Quest Sports Travel is not responsible for securing a traveler's entry visa.

Final Itinerary: Quest Sports Travel will review the Final Itinerary with the group leader approximately 3 weeks before departure. This review will occur no later than **July 3rd, 2018**.

Distribution of Information: The approved Final Tour Package is sent to the tour leader no less than 14 days prior to departure. The Final Tour Package includes airline tickets, the final itinerary and supplementary information to be distributed to each passenger. Quest Sports Travel is not responsible for lost airline tickets after distribution to the tour leader and suggests holding all tickets until the group meets at their departure airport. Your Final Tour Package will be distributed no later than **July 10th, 2018**.
