**Day 1:**

- Depart New York area International Airport on a regularly scheduled overnight TransAtlantic flight to Copenhagen Kastrup International Airport

**Day 2:**

- Arrive in **Copenhagen** where our full time bilingual Tour Manager meets the group to travel by private motor coach across the Øresund Bridge into Sweden en route to Malmö and **check in** to an area hotel for a 3 night stay
- Settle in to the hotel then enjoy an introductory tour of the city - **Malmö** is a vibrant, modern city with a truly young vibe that is best evoked by the avant-garde and controversial "Turning Torso" - rising over the Western Harbor, Sweden's tallest building rises 623 ft. and consists of nine cubes with 54 floors and a 90-degree twist from base to top. It also retains its sense of history as it's 13th century Old Town and survivors such as Malmöhus Castle, the Town Hall, and the Stortorget from its 16th century heyday attest
- Later, transfer to a local club for **practice** with the Penn College coaching staff
- Dinner at a pre-selected restaurant this evening

**Day 3:**

- Breakfast at the hotel then return to **Copenhagen** for an introductory tour of the city - Denmark's capital for 600 years is an appealing city comprised of period six story buildings, church steeples punctuating the skyline, and though the city gleams with a contemporary edge it still seems to take you back hundreds of years
- This afternoon transfer to the tour's **first friendly game** against a local club
- Return to Malmö for dinner on your own after the game

**Day 4:**

- Breakfast at the hotel then transfer to professional club **Malmö FF** for a *behind the scenes* look at their stadium and training facilities
  - Free afternoon to further explore **Malmö**
  - Dinner on your own this evening
- Note - there may be an opportunity to watch a pro game this evening (not included)

- This afternoon continue north to **Gothenburg** and **check in** to an area hotel
- Dinner at a pre-selected restaurant this evening

*Our goal is a "balanced tour" experience*

Competition is great, but so is learning about the places and people you are visiting. Our itineraries are designed to give you the best of both - a soccer experience and cultural exchange you can't get at home, and sightseeing tours to really get to know your host country
