### Why Purchase Travel Insurance?

Travel insurance helps protect you on your vacation or business trip. Because even on vacation, life happens – and that can affect your travel plans.

- The airlines may lose your luggage en route to your destination.
- You may miss your flight connection and lose days on your trip.
- You could be in a foreign country and need emergency medical attention.

A good travel insurance plan provides coverage for all of these situations and more.

### Coverage Benefits and Limits<sup>1</sup>

|   |  |
|---|--|
